## INDEPENDENT AUDITOR'S REPORT

Board of Education and Citizens' Bond Oversight Committee  
Santa Cruz City Schools  
Soquel, California

We have conducted a performance audit of the Santa Cruz City Schools (the "District") Measure B General Obligation Bond funds for the year ended June 30, 2021.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe the evidence obtained provides a reasonable basis for our findings and conclusions based on our audit objectives.

Our audit was limited to the objectives listed on page 3 of this report which includes determining the compliance with the performance requirements for the Proposition 39 Measure B General Obligation Bonds under the applicable provisions of Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the bonds and the net proceeds thereof. Management is responsible for Santa Cruz City Schools' compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of Santa Cruz City Schools to determine the audit procedures that are appropriate for the purpose of providing a conclusion on the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express any assurance on the internal control.

The results of our procedures indicated that, in all significant respects, Santa Cruz City Schools expended Measure B General Obligation Bond funds for the year ended June 30, 2021 only for the specific projects developed by the District's Governing Board and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

## **OBJECTIVES**

The objective of our performance audit was to determine that the District expended Measure B General Obligation Bond funds for the year ended June 30, 2021 only for the purposes approved by the voters and only on the specific projects developed by the District's Board of Education, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)C of Article XIII A of the California Constitution.

## **SCOPE**

The District provided to us a list of all Measure B General Obligation Bond project expenditures for the year ended June 30, 2021 (the "List"). A total of \$12,015,902 in expenditures from July 1, 2020 through June 30, 2021 were identified.

## **METHODOLOGY**

We performed the following procedures to the List of Measure B General Obligation Bond project expenditures for the year ended June 30, 2021:

- Verified the mathematical accuracy of the List.
- Reconciled the list to total bond expenditures as reported by the District in the District's audited Measure B General Obligation Bonds financial statements for the year ended June 30, 2021.
- Selected a sample of 27 expenditures totaling \$7,258,769. The sample was selected to provide a representation across specific construction projects, vendors and expenditure amounts. The sample represented approximately 60% of the total expenditure and transfers value, respectively. Verified that the funds were generally expended for the construction, renovation, furnishing, and equipping of school facilities constituting authorized bond projects. Verified that the funds which were used to pay for salaries of district employees were allowable per Opinion 04-110 issued on November 9, 2004 by the State of California Attorney General.
