

# SOQUEL HIGH FUND

## DID YOU KNOW?

Research shows that parent involvement in their child's education is the #1 influencer for them doing better in school. While parent volunteerism typically dwindles after elementary or middle school, high school is a crucial time for us to be involved in our child's education.

## WHO WE ARE

The Soquel High Fund has been established to support academic, art, and athletic programs at Soquel High School, now and in the future. We are a group of parents, alumni, staff and community members working through a non-profit organization to strengthen Soquel High School and to ensure that all our students enjoy the very best education experience.
