Re: Insurance Coverage for Student Injuries

Dear Parent/Guardian:

Santa Cruz City Schools does not provide medical insurance coverage for student accidents. You are responsible for the medical bills if your child gets hurt during school activities. The accompanying student accident/sickness insurance plans are offered to help you pay those bills if you do not have family medical insurance that covers your child or if you desire to supplement your primary medical insurance.

Many coverage options are available. The Student Accident and Sickness and High Option 24-Hour Accident plans are recommended for those students with no other insurance because they provide the most coverage when injuries occur. Student Accident and Sickness covers illness as well as injury, 24 hours a day. We recommend the high option plans for students participating in interscholastic sports.

If your child does have other health coverage, student insurance may also be used to help pay those charges not covered by other insurance (i.e. deductibles and co-payments). Also, the student insurance plans allow you to take your child to any doctor or hospital you choose.

To enroll, complete the enrollment form in full, select the plan(s) you want for your child, enclose the proper premium using a check, money order or credit card, seal and return as directed on the form. Enrollment is also available on line by going to www.myers-stevens.com. Note - Once processing is completed, an ID card verifying coverage will be mailed home to you.

Please read your brochure carefully. If you have any questions, please call the plan administrator, Myers-Stevens & Toohey & Co., Inc. at 800/827-4695 or 949/348-0656. Bilingual representatives are available for parents who need assistance in Spanish.

In order to document that you have been notified of this matter, please sign and complete the bottom of this form and send it back to the school with your child immediately, even if you do not plan to enroll in the program. Thank you

Sincerely,
