## Principal's Message

Summer, 2021

Dear Parents, Guardians and Students -

There is so much to be excited about this upcoming school year and we look forward to meeting our new Bees and saying hello to those returning to the hive. We are so thankful that our current plans have all of our students returning to school in person with a more typical bell schedule. We don't expect to be back completely "normal" but we should be pretty close to that as long as COVID 19 doesn't rebound in a negative way. We are also eager to introduce the Bee community to our new, talented staff members and we welcome them to the beehive. The Branciforte team has been busy over the summer preparing for the arrival of our students on Wednesday, August 11th, as this year will be full of new opportunities for the entire community. We couldn't be more excited about the year ahead.

Parents and guardians will receive a more detailed summer letter near the beginning of July through our school messaging/email and text system and it will also be posted on our website. This letter will provide much information to help your student start the year off on the right foot.

Mark your calendar for upcoming important events:

- August 10 WEB Day (**W**elcome **E**very**B**ody) for students new to Branciforte
- August 11 First Day Back for the 2021-22 School Year, 8:30am
- August 31 Back to School Night

We look forward to seeing all of you very soon.

Kind regards,

Casey O'Brien - Principal  
Amy Spiers - Assistant Principal
