2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

# General Information about the School Accountability Report Card (SARC)

# SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <a href="https://www.cde.ca.gov/ta/ac/sa/">https://www.cde.ca.gov/ta/ac/sa/</a>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard)

https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

# **2023-24 School Description and Mission Statement**

Mission Statement: Bay View School is a safe and welcoming community where everyone is respected, and learning is valued. Our school is a dynamic learning environment where everyone is engaged and inspired to do their personal best. Diversity is embraced; it enriches our learning community. Students, families, and staff work together as a team to ensure academic success and social responsibility for everyone.

At Bay View Elementary School, Everybody is Somebody.

At Bay View Elementary School, we provide a safe and nurturing environment that fosters life-long learning. Bay View is dedicated to academic excellence. We value parents and community members as partners in education. We support social-emotional learning, through Second Step Curriculum and explicitly teaching Bay View Life Skills, we prepare students to become responsible citizens in our diverse society.

The heart of the school's mission centers on rigorous curriculum, high expectations, skillful staff members, social-emotional development, establishing good study habits, and family/community partnerships. Pride in our school evolves from Bay View's outstanding traditions, TK-5 achievements, and accomplishments. A rich mixture of languages and backgrounds among our community allows us to build on our diversity.

#### Significant Achievements

Bay View staff is committed to monitoring student progress by analyzing and responding to reading and math scores on assessments, such as, Fountas and Pinnell Reading Inventory, iReady, district math and literacy benchmark assessments, and teacher developed formative assessments. We offered high-quality researched-based small group reading intervention instruction to support students who were below grade level and high-quality enrichment and extension activities for those who were at or above. Our literacy intervention program includes explicit phonics instruction using Systematic Instruction in Phonological Awareness, Phonics, and Sight Words and Reading Intervention for Students who need support or intervention. Bay View's math Response to Intervention includes push-in intervention 4 days per week for 40 min in every 1-5 classroom to ensure students get access to small group instruction and intervention.

# A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

# Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

Permits and Waivers	0.00	0.00
Misassignments	3.80	2.30
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	3.80	2.30

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

# Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

# **Class Assignments**

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	14.2	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	14.2	4

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

# **School Facility Conditions and Planned Improvements**

Bay View Elementary campus sits on a 5-acre lot and is located at the intersection of Bay Street and Mission Street (HWY 1). The school was built in the 1940s and expanded until the present. All classrooms are spacious and well-lit. In addition to 21 classrooms, we have an art room, a music room, a life lab, and a large library media center. The play structure was resurfaced with new soft padding using funds provided by money from bond money. Additional improvements that are expected to be completed using bond money include replacing portable classrooms with permanent buildings, upgrading technological infrastructure, improving the play area, modernizing classrooms, and constructing a new multi-purpose building.

# **B. Pupil Outcomes**

# **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### **Statewide Assessments**

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### **College and Career Ready**

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

# Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	34	35	44	46	33	34

# 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. # **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

# 2023-24 Opportunities for Parental Involvement

Our parents and community members are active in the classroom on a daily basis and accompany students on field trips. Our School Site Council (SSC) helps make decisions related to our school expenditures and approves the school's annual plan and budget. Parents also have the opportunity to participate in the English Learner Advisory Committee (ELAC) which provides feedback to the school administration in relation to the support of our English Language Learners. Our Parent Teacher Organization (PTO) helps promote community events, plan fundraising activities, and provides funding for different enrichment opportunities for our students. The principal meets with all three leadership groups to develop agendas and plan for potential guest speakers. Our school also offers monthly school assemblies to promote positive behavior goals and deepen our sense of school community.

Parents in our community attend school activities and events (including Family Art Night, Fiesta del Artes, talent show, school-wide carnival, pancake breakfast). All these events are posted on our school website and sent home on fliers. All school communication is sent in both English and Spanish.

To become more involved, please call or visit the school office - (831) 429-3991.

# 2023-24 School Safety Plan

Our School Safety Plan is updated annually. Our school and grounds are very safe. We have lockable fencing at all four entrances, and they are locked during school hours. School Site Council (SSC) and staff update and approve our plan annually. Parents are informed about emergency procedures, and a list of procedures is visible in every classroom. Emergency procedures provide detailed directions and maps for fire, earthquake, and evacuation drills, and stranger-on-campus lockdown procedures. This year staff received a Code Red training from the Santa Cruz Police Department.

The staff receives monthly five-minute safety meetings. The staff also received in-depth training in emergency response procedures, mandate reporting, harassment and discrimination, and FERPA (Family Educational Rights and Privacy Act). The school safety team meets regularly to review and update the site safety plan.

# Fiscal Year 2022-23 Types of Services Funded

Our population qualifies Bay View for both federal and state funds for underperforming students. Bay View funded two Response to Intervention (RtI) teachers, five learning assistants in our intervention program, classroom learning assistants in kinder and first grades, and parent education. We also used site funds to support professional development, including funding costs to attend training. All teachers and literacy-focused support staff meet three times a year to analyze literacy and English Learner progress, set learning goals, and develop differentiated instructional action plans.

State funds were used to purchase software, upgrade hardware, and obtain supplies and instructional materials.

# **Professional Development**

At Bay View Elementary School, we believe that Professional Learning opportunities are essential to ensure that every student has teachers who are prepared to teach to the rigor and depth required by the CA Common Core Standards. This year, our school will focus on ELD.

Our meeting structures are as follows: We will use the monthly district-wide PD (early release days) to inform our site work by working with a literacy consultant to build our understanding of blending learning lesson design. We will meet three times a year in Student Learning Teams (SLT) meetings to identify priority ELA and ELD standards and develop student goals.

We will refine our progress monitoring system by determining which common summative and formative assessments will be used to evaluate student progress.

We will analyze our most current ELA/ELD student achievement data and create a comprehensive action plan to address the needs of students at each proficiency band. We will meet bi-monthly in grade level PLCs to analyze student work collected using common formative assessments to determine which instructional practices are yielding the best results.

We meet once a month for staff meetings which include teachers and all certificated support staff. Here we engage in school-wide data analysis and engage in cross-grade level collaboration around grade level action plans. We are striving to build more vertical alignment.

Staff and staff teams will be encouraged to participate in additional professional development over breaks and after work hours that support our shared site and district vision for superior service for students.
