NOTICE TO PARENTS/GUARDIANS, STUDENTS, AND TEACHERS: COMPLAINT RIGHTS

Parents/Guardians, Students, and Teachers:

Pursuant to Education Code 35186, you are hereby notified that:

- 1. There should be sufficient textbooks and instructional materials. That means each student, including an English learner, must have a textbook or instructional materials, or both, to use in class and to take home.
- 2. School facilities must be clean, safe, and maintained in good repair.
- 3. There should be no teacher vacancies or misassignments. There should be a teacher assigned to each class and not a series of substitutes or other temporary teachers. The teacher should have the proper credential to teach the class, including the certification required to teach English learners, if present.

Misassignment means the placement of a certificated employee in a teaching or services position for which the employee does not hold a legally recognized certificate or credential or the placement of a certificated employee in a teaching or services position that the employee is not otherwise authorized by statute to hold.

Teacher vacancy means a position to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of a semester for an entire semester.

4. A complaint form may be obtained at the school office or district office, or downloaded from the school or district web site. You may also download a copy of the California Department of Education complaint form from the following web site: http://www.cde.ca.gov/re/cp/uc. However, a complaint need not be filed using either the district's complaint form or the complaint form from the California Department of Education.
